**AISC \$940-995/oz**  
2023 Production Guidance

# BEING A TRUSTED PARTNER

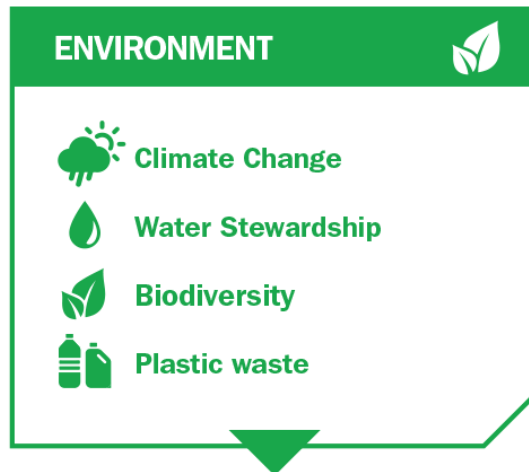

4

# OUR PURPOSE IS TO PRODUCE GOLD THAT PROVIDES LASTING VALUE TO SOCIETY

We achieve this by...

Protecting and promoting the places where we operate

Helping to create resilient and self-sustaining communities

Trusted to unlock the full benefits of the material we mine

FULFILLING UN SUSTAINABLE DEVELOPMENT GOALS

# PRIORITISING EDUCATION

## Lafigué: Adult literacy courses for 500 community members

In June 2022, Endeavour signed a partnership with the Ivorian Ministry of Education and Alphabetisation to increase literacy levels and improve access to employment in the Hambol region where the Lafigué project is located.

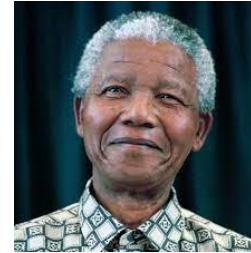

➡ **Project underway**

## Lafigué: Professional training for 150 young people

In June 2022, Endeavour signed a partnership with the Ivorian Ministry of Education, Vocational Training and Technical Apprenticeships to improve the rate of employment for young people in the Hambol region.

150 young people will be trained in key vocational skills, including electrics, plumbing, masonry, welding, boiler making and carpentry

➡ **Project underway**

*Education is the most powerful weapon which you can use to change the world.*
